## Notes

**Exams (50%)**

During the semester, there is a mid-term and final exam. These assessments evaluate your comprehension of strategic management concepts and your application of critical thinking and problem-solving skills to "real-life" situations. To pass this course, you must achieve a passing grade average (50%) in the mid-term and final exams. Missed exams cannot be rescheduled without a medical certificate or other supporting evidence. Inconvenience to the student is not a valid reason for missing scheduled exams.

**Online Quizzes (10%)**

These quizzes are to evaluate your comprehension of text readings.

**Team Case Analyses**

Each team (4-5 members) is responsible for multiple written case reports, oral case presentations, and board evaluations. All of the cases to be used for analysis are in your text. Refer to the case schedule of dates on Moodle for your team's submission and presentation dates.

**Written Report (15%)**

There is one large written case analysis at the end of the course worth 15% of your total grade. However there are also two written assignments that count towards 'Team Assignments' (below). Each management team will submit one written case analysis for grading. It is expected that all team members will contribute to the discussion and preparation of the case report<sup>1</sup>. A signed Performance Schedule (Peer Evaluation) must be submitted with the written case report and individual marks will be allocated by this schedule based on the team grade. Refer to Assignment 1 on Moodle for details. The written report is to adhere to the standard Case Analysis format (refer to the Case Study Report format and Case Study Analysis handouts on Moodle). The report is to be generated using MS Word and submitted in hard copy to your Professor, and an electronic copy to the "Written Case Report Dropbox" on Moodle under the "Course Assignment" topic. The electronic copies will be submitted to the Turnitin plagiarism detection service to check for Plagiarism (see STUDENT CONDUCT AND ACADEMIC HONESTY section at the end of this course outline). The professor is required to report all evidence of Plagiarism to the Dean.

**Oral Presentations (15%)**

There is one large project case presentation at the end of the course that is worth 15% of your total grade. However, there are also three partial presentations that count towards 'Class Participation' (below). It is expected that all team members contribute to the discussion and preparation of these presentations. For all partial case presentations, all management team members will present and will receive the same mark. A Performance Schedule will be submitted for the full case analysis oral presentation and individual marks will be adjusted accordingly.

Visual aids are required to illustrate the main points of your oral presentations. A laptop with PowerPoint will be available. If using other means, it is the team's responsibility to ensure that equipment and software is set up properly and everyone is familiar with its operation. Each team is responsible for submitting a PowerPoint handout (3 slides per page) to the professor **prior** to the presentation.

**Individual Case Board Evaluations (-5% if absent)**

Each management team member is responsible for evaluating the content and quality of other teams' presentations. For full case presentations; your team is to function as a Board of Directors and, as

<sup>1</sup> Omit from the report, names of team members who do not contribute to the submission; marks will not be awarded to non-participating members.

such, is expected to pose planned and relevant questions to the presenting teams. Board members are to be fully familiar with the case and its analysis. Before the end of the class session, each Board member has to submit the evaluations to the professor. The individual's grade is assessed by the professor, based on the quality of the evaluation submitted, including a list of at least five good questions.

#### **Team Assignments/Class Participation (10%)**

Throughout the semester there will be three small assignments. The details of these assignments are posted in Moodle and due dates are listed on the course schedule (above). Your participation grade will be based on your attendance and quality and consistency of your contribution during class. Following each class, your participation will be graded 3 marks for outstanding quality and contribution, 2 marks for good quality but less frequent participation, and 1 mark for low to no contribution. Absences will be recorded as 0 marks for participation.

#### **Performance Schedules**

Peer evaluations are required for the written case report and the full-case oral presentation (above). These evaluations will be submitted together with the team's written report and for the team's full-case oral presentation. The Vice President of Human Resources is responsible for submitting a single score out of fifty (50) for each team member and the percentage of the grade allocated to each team member. Refer to Assignment 1 for details. Performance Schedules must be signed by all group members. If the team is not in agreement than the mark assigned by the Professor will apply to all group members. Note: Grades will not be awarded to non-contributing or absentee Board Directors (team members).

#### **Resolving Team Disputes**

One of the objectives of this course is to enhance each student's awareness of the skills and sacrifices that are required to perform as an effective team member. If any team member does not pull his or her weight, the management team may apply to the professor to have this person fired. Reasonable efforts must be taken to encourage this person's involvement and all stages of disciplinary action must be documented. Your professor is available to assist in counseling and dispute resolution at any stage. Nevertheless, once due process has been followed, the terminated individual will not be eligible for further team marks. It is the professor's prerogative to determine the action that is warranted and whether or not the student will be required to withdraw from the course. Team meeting minutes and other Moodle communications will be requested by the professor throughout the dispute resolution process.

## **SKILLS ACROSS THE BUSINESS CURRICULUM**

---

The Okanagan School of Business promotes core skills across the curriculum. These skills include reading, written and oral communications, computers, small business, and academic standards of ethics, honesty and integrity.

## **STUDENT CONDUCT AND ACADEMIC HONESTY**

---

### **What is the Disruption of Instructional Activities?**

At Okanagan College (OC), disruption of instructional activities includes student “conduct which interferes with examinations, lectures, seminars, tutorials, group meetings, other related activities, and with students using the study facilities of OC”, as well as conduct that leads to property damage, assault, discrimination, harassment and fraud. Penalties for disruption of instructional activities include a range of sanctions from a warning and/or a failing grade on an assignment, examination or course to suspension from OC.

### **What is Cheating?**

“Cheating includes but is not limited to dishonest or attempted dishonest conduct during tests or examinations in which the use is made of books, notes, diagrams or other aids excluding those authorized by the examiner. It includes communicating with others for the purpose of obtaining information, copying from the work of others and purposely exposing or conveying information to other students who are taking the test or examination.”

Students must submit independently written work. Students may not write joint or collaborative assignments with other students unless the instructor approves it in advance as a group/team project. Students who share their work with other students are equally involved in cheating.

### **What is Plagiarism?**

Plagiarism is defined as “the presentation of another person’s work or ideas without proper or complete acknowledgement.” It is the serious academic offence of reproducing someone else’s work, including words, ideas and media, without permission for course credit towards a certificate, diploma, degree and/or professional designation. The defining characteristic is that the work is not yours.

“Intentional plagiarism is the deliberate presentation of another’s work or ideas as one’s own.” Intentional plagiarism can be a copy of material from a journal article, a book chapter, data from the Internet, another student, work submitted for credit in another course or from other sources.

“Unintentional plagiarism is the inadvertent presentation of another’s work or ideas without proper acknowledgement because of poor or inadequate practices. Unintentional plagiarism is a failure of scholarship; intentional plagiarism is an act of deceit.”

### **What are the Students’ Responsibilities to Avoid Plagiarism?**

Students have a responsibility to read the OC Plagiarism Policy and Procedures outlined in the OC calendar, which is available in online format [www.okanagan.bc.ca](http://www.okanagan.bc.ca). Students must acknowledge the sources of information used on all their assignments. This usually involves putting the authors’ name and the year of publication in parentheses after the sentence in which you used the material, then at the end of your paper, writing out the complete references in a Reference section.

“Students are responsible for learning and applying the proper scholarly practices for acknowledging the work and ideas of others. Students who are unsure of what constitutes plagiarism should refer to the UBC publication “*Plagiarism Avoided; Taking Responsibility for your Work*”. This guide is available in OC bookstores and libraries.

Students are expected to understand research and writing techniques and documentation styles. The Okanagan School of Business requires the use of the APA or MLA style, but suggests that students cite references using the APA guidelines (see Publication Manual of the American Psychological Association, 7<sup>th</sup> edition (2019)). A copy of the APA manual is available in the reference section and also available for circulation from OC libraries. The library website has access to these two major citing styles.

### **What are the Penalties for Plagiarism and Cheating?**

The Okanagan School of Business does not tolerate plagiarism or cheating. All professors actively check for plagiarism and cheating and the Okanagan School of Business subscribes to an electronic plagiarism detection service. All incidents of plagiarism or cheating are reported and result in a formal letter of reprimand outlining the nature of the infraction, the evidence and the penalty. The Dean of the Okanagan School of Business and the Registrar record and monitor all instances of plagiarism and cheating. Penalties for plagiarism and cheating reflect the seriousness and circumstances of the offence and the range of penalties includes suspension from OC.
