Vocabulary Building (Prepositions)

You can build your **vocabulary** by reading the definition of the word and writing the word in a sentence.

Try this!

Write a paragraph using 5-7 of the following **prepositions**. (If you need to look up the definition of the preposition, you are allowed to do so.)

throughout	between	with	except	above
behind	concerning	despite	including	since
beyond	around	following	without	upon
